SECOM-D-204

9 June 1982

MEMORANDUM FOR: Chairman, Personnel Security Subcommittee

FROM:

[Redacted]

Chairman

25X1

SUBJECT:

DCID 1/14 Revision

1. It is requested that the captioned Subject again be addressed by your Committee, since, as you are aware, it has been deferred pending certain actions to be taken by the Department of Defense. Such deferral was based on an agreement reached by the Director, Intelligence Community Staff and the OSD policy head. This remand action does not reflect any question with respect to the previous efforts of the Subcommittee. [Redacted]

2. However, in light of the changing environment in the personnel security area it is believed that this will offer us an opportunity to review the DCID and, perhaps, recast more definitively some of the proposals made earlier. [Redacted]
